Macon County Health Department to Hold H1N1 More Vaccination Clinics

DECATUR, IL – The Macon County Health Department will be offering H1N1 vaccinations on Tuesday, October 27 and Friday, October 30 by appointment only. These clinics will be open to anyone within the established priority groups. The priority groups are as follows:

- Pregnant women,
- Household contacts and caregivers for children under 6 months of age,
- Healthcare and emergency medical services personnel,
- People 6 months to 24 years of age, and
- People ages 25 through 64 with a chronic health condition.

Those interested in setting up an appointment should call (217) 423-6988 extension 1333. For general information about H1N1 flu, please call (217) 423-6988. The Macon County Health Department will contact the media as soon as additional clinics are scheduled.
